

FY22 CM Pool Budget Amendment #2

Workforce First Program for People Experiencing Homelessness

SD23: Economic Opportunity & Affordability, Health & Environment

Workforce First Program

[Workforce First](#) (WFF) is a part-time work opportunity created by [The Other Ones Foundation](#) (TOOF) for individuals experiencing homelessness to assist with encampment abatement in public parks and open spaces. The program is a “win-win” for the community: people experiencing homelessness have regular employment, job training, support services, and assistance with finding housing while the city receives much-needed help with encampment cleanup in our parks and open spaces, plus assistance in our animal shelter.

Over the past three years, Austin Public Health has collaborated with the Austin Parks and Recreation Department Watershed Protection Department, and Austin Resource Recovery to fund Workforce First.

Workforce First Crews

- The program’s current operation includes three rotating crews that performs encampment cleanups and vegetative management throughout the city under the supervision of TOOF and Parks and Recreation staff.
- This budget request is intended to add capacity to the Workforce First program with **an additional work crew**. The additional crew would employ 6 clients, working 5 days per week. The funding request also includes one Supportive Employment Specialist (SES) to provide job training and one case manager to run the additional crew.

Innovative Approach

- Employment opportunities are combined with highly individualized case management.
- Assistance is provided in obtaining vital records and filling out housing applications.
- TOOF also fills a crucial role as a social network provider where folks are welcome to clean up after the day's work at TOOF's headquarters and spend down time together as part of a supportive community.

Table 2. FY22 Funding Request Breakdown

Item	FY22 Request
Crew	\$112,500
Case Manager	\$55,594
Supportive Employment Specialist	\$55,594
DCA	\$8,012
GOE	\$19,467
Total FY22 Request	\$251,167

Workforce First Services & Accomplishments

- Operated a day shelter for a full year that offered services such as shower facilities, laundry, day sleep, personal device charging and MHC and EAT programs to respond to COVID-19. In 2019-2020, they provided 4,400 showers and 6,500 lunches.
- Grew funding base to include foundations, recurring donation group, and more consistent community fundraising events.
- Hired six people experiencing homelessness as full-time staff.

Workforce First: Track Record of Success

- The current Workforce First operations include three rotating crews with seven individuals. Previously, the crews were only operating on the southern portion of Lady Bird Lake, but the FY 2020-2021 funding enabled an expansion of their services city-wide.
- This expansion allowed the Workforce First crews to assist with encampment abatements for two collaborating city departments – Parks and Recreation and Watershed Protection. The crews have performed consistent, rapid response times to trash accumulation.
- Encampment cleanups are just one of the several services the Workforce First crews can respond to, including home repair, pest treatment, and apartment cleaning for subsidized housing for over 70 units in 2019-2020.
- The Other Ones Foundation, with the Workforce First program, continues to innovate in providing workforce solutions, case management services, and resources to successfully reintegrate folks back into permanent housing.
- The following are program successes from October 1, 2020 to May 31, 2021:
 - **\$309,480** in earned income paid to people experiencing homelessness
 - **367,334** pounds of trash moved out of green spaces in Austin
 - **77** WFF successful exits
 - **208** WFF unduplicated clients served
 - The current year of WFF is on track to be the most successful year of WFF thus far.
